

Emergency Information

The _____ Family Plan

(Last Name)

Complete the following chart using the zone map and descriptions. If a family member has two different locations for day and night (e.g. work during the day, college classes at night), fill out two lines for that family member.

Home Address		Zone	Reception Center	Evacuation Route
Family Member	School Name/Work Location	Zone	Reception Center (Host School)	Evacuation Route

If your family has friends or relatives who live outside the area to be evacuated, you may wish to stay with them during the emergency or plan to reunite there. Indicate in the block below your personal destination.
